GUEST DIRECTORY

Dear Guest,

Welcome to The Barcelona EDITION – a new, unique, original experience that combines the worlds of luxury and lifestyle with ground-breaking innovation, great design and outstanding dining and entertainment with personalized, friendly and modern service.

The Barcelona EDITION is located in the heart of the old city, transforming a previous office building into an exciting space to create a dynamic fusion of old and new; past and present. Located within walking distance of Barcelona's best kept secrets, we invite you to stroll through the city and discover the magic of its history flowing in every corner.

We are in the richest historic side of Barcelona that offers us the opportunity to enter into the myths and legends of the most central neighborhood in the city. Old stories from the Romans who first named the city, Barcino, to the streets that inspired some well-known novels and recent best sellers.

Everything is still here, as a trace of the past in which you can discover the most authentic Barcelona. The past of the city does not give us all the answers to the present, but with a little imagination we can transport ourselves to a Barcelona full of stories, legends and surprises.

Our impassioned staff are committed to providing authentic and personalized service to assure you have an unforgettable experience, tempting you to plan a return visit even before you leave. If there is anything I can do to personally assist you whilst you are with us, please don't hesitate to contact me directly.

Kind regards,

Julie Van De Kerckhove

HOTEL FACILITIES

BAR VERAZ

True to the EDITION vernacular, a spectacular bar serving locally produced vermouth, craft beer and bespoke cocktails unites the hotel's reception with an informal restaurant offering à la carte breakfast and affordable dishes focusing on the freshest, market seasonal ingredients.

With oversized floor-to-ceiling windows and its own separate entrance, residents and locals alike are captivated by an enormous central bar piece that occupies the double height space. Hanging from the high ceilings above the bar, this awe-inspiring aged brass element glows elegantly. The magnificent wall of 410 backlit liquor bottles creates a warm crepuscular light reminiscent of a Mediterranean sunset.

Lush greenery with potted palm trees that emulate an interior garden create a sense of intimacy and calm within the vibrant city setting, and a selection of original art pieces by famous Catalan artists Joana Biarnés, Colita, Xavier Miserachs and Oriol Maspons accompany the seating arrangements, helping to forge a strong connection between the city, the local culture and casual dining.

A protected island of terrace seating at the front of the hotel offers guests an al fresco dining experience, looking out over the Santa Caterina Market and perfect for observing local life along this busy Barcelona thoroughfare.

Open daily from 7:30 am until 11:00 pm.

BREAKFAST

A full and innovative breakfast a la carte menu is served each morning from 7:30 am until 11:00 am at Bar Veraz.

THE ROOF

The Roof is an iconic destination in Barcelona's social life and an intimate oasis in the heart of the city. The Mediterranean terrace, located on the 10th floor of The Barcelona EDITION offers an incomparable panoramic view of the city and serves light dishes designed to be enjoyed with friends and family.

The terrace is decorated with iroko wooden parquet, small tables, sofas, armchairs and sunbeds upholstered in ivory, gray and blue tones, abundant vegetation with aromatic plants and a colorful bougainvillea that creates a garden atmosphere in the sky. Lit by dim candlelight, the sunsets at The Roof are a unique experience that gives you the feeling of being on a private rooftop with the most sophisticated ambience.

The panoramic views from the small urban outdoor pool and from the entire terrace offer an incomparable setting made up of a sea of roofs. One can admire the small historic buildings of the Barrio del Born in the Gothic heart of the city, the unmistakable silhouette of the Gothic cathedral of Santa Maria del Mar, the colorful and wavy roof of the Mercat de Santa Caterina- designed by the Miralles-Tagliabue architectural studio - simulating the wind-blown awnings of the old food market, as well as the blue of the Mediterranean sea in the distance.

The bar is a unique piece of travertine marble where the best bartenders in Barcelona offer a fresh and innovative seasonal menu consisting of cocktails and various healthy options such as natural juices, kombuchas and mocktails.

For colder and rainy days, the service continues as the glass sliding walls come to a close, offering year-round day and night service for guests and the local community alike.

Open from Monday to Friday from 12:00 pm until 12:00 am. Saturday and Sunday from 11:00 am until 12:00 am.
